

Community Project Initiative 2020

How are you helping your community in 2020? We want to make it easier for you!

Our president, Donna Dynna, is committed to giving back to local communities. What better way to do it than to help fund one of our client's worthy projects? When MuniSoft grows, we are proud to pass that benefit on to our clients and their communities. Each year, we set aside funding for a community donation. With over 700 clients across Canada, it's nearly impossible to choose just one project to help.

Last year, we decided to use a draw format to direct our donation budget. All clients had the opportunity to enter the draw, just by telling us about their project. And, wow – the entries were amazing! We were impressed with the variety and quality of projects clients were undertaking for their communities.

Our 2019 Community Project Initiative winner was the Town of Outlook. They used the \$2,000 to enhance a community park.

You could be our 2020 winner! Simply complete this one-page form telling us a bit about the project.

Eligible projects must meet the following criteria to be entered into the draw:

- Must benefit the community in general
- Be scheduled for completion in 2020
- Entry is to include an event article or website link, that we can share on our website

The winner of the draw will receive \$2000 to put toward their 2020 community project!

Completed entries will be accepted, with your annual billing payment, by January 27, 2020. Entries can be submitted by mail if you send your payment by cheque. If you prefer to pay by EFT, e-transfer, or if you have registered for PAD, please send your completed entry form to accountant@munisoft.ca.
