Feedback Questionnaire for the Chestnut-collared Longspur

To help us learn more about this species, please refer to the attached “Summary of the Proposed Recovery Strategy for the Chestnut-collared Longspur in Canada” and answer the following questions:

1. Have you seen this species on or near your land?

Never / Sometimes / Often / I don't know

Comments: _____

2. Are there activities going on in your area that could benefit this species or its habitat?

Yes / No / I don't know

If yes, please describe the activities and how these activities can help the species: _____

3. Are there activities going on in your area that could harm this species or its habitat?

Yes / No / I don't know

If yes, please explain: _____

4. Does your land have some or all of habitat features described in the recovery strategy overview?

Yes / No

Comments: _____

5. Please share any information you think we should include in the strategy to help make it a success (e.g., the importance of this species to your community).

To help us identify actions we can take to support this species, please answer the following 2 questions:

6. Do you have any comments on the activities likely to destroy critical habitat described in the recovery strategy overview? Yes / No

Comments: _____

7. Do you have any comments regarding the proposed strategies to recover and conserve the species? See "What will be done to help this species" in the recovery strategy overview.

Yes / No
Comments: _____

To help us learn more about how we can best contact landowners, and to let us know if you are interested in learning more about species at risk, please answer the following 4 questions:

8. Do you have any comments regarding the materials provided or the manner in which we have contacted you?

Yes / No
Comments: _____

9. Would you like to receive an email copy of the *draft* recovery strategy? Yes / No

10. Would you like to receive a paper copy of the *draft* recovery strategy? Yes / No

11. Would you like more information on how you can help conserve species at risk? Yes / No

If yes, can we contact you by: phone / email / mail / any of these methods?

Please provide your name and contact information below:

Name: _____
Phone: _____
Email: _____
Mailing Address: _____

Is there anything else you would like to add? _____
