July 31, 2023

The Rural Municipality of Torch River No. 488's Provincial Disaster Assistance Program (PDAP) request for designation has been approved.

This means private property owners who experienced extensive damage in relation to the storm event of July 1, 2023 may now apply directly to the program for cost recovery assistance for which private insurance does not cover.

Note: the application is directly between PDAP and the applicant, subject to the program eligibility criteria.
